### Letter of Appreciation

We would like to recognise the efforts of contractor Sustech Engineering for successfully completing technical due diligence studies at our facilities in the Pilbara, Karratha. Yara Pilbara acknowledges the professional engineering service provided by Sustech Engineering.

We would like to extend our gratitude to Sustech Engineering for their quality of work while completing due diligence studies for our water corp MVC desalination plant, seawater supply and brine return. Their knowledge, professionalism, experience, and overall service was invaluable for this project.

Thank you once again.

Yours sincerely
